

## TASN Individual Members and Positional Members

There are two types of TASN Membership: Positional and Individual

Positional Members – are to be paid for by an ISD that is purchasing a **block of Numbers**. The ISD will need to fill out the appropriate Remittance form and send one check. TASN will provide a block of numbers to that ISD. This block of numbers will all have the same effective date and the same expiration date. The ISD will be in-charge of receiving all of the information for those members (renewals, updates, etc.) The ISD will be responsible for updating TASN when one of the positional members leave and for providing TASN with the appropriate replacement member information.

Positional Membership is to streamline the dues process for ISDs that wish to purchase a block of numbers. If your ISD is interested in purchasing a block of positional memberships, please contact us at [info@tasn.net](mailto:info@tasn.net) or contact Karen Andrasi at 512-371-0087 ext. 204.

Individual Membership is for a person who would like to become a member of TASN and is paying for this themselves or the ISD is paying for them but the ISD does not want to have the Positional Membership role.

Please note: Individuals are **not** to send in payments for positional memberships. If TASN receives a membership form from an individual that is marked positional, TASN will be sending back the Membership form and the payment.

In an effort to streamline membership please follow the above guidelines. Also, please note, if you send your SNA and State dues to SNA do not also send a payment to TASN. Please pay either SNA or TASN but not both.
