Learning Objectives

Today's goals are to:

- Learn to seek and form partnerships
- Explore what partnerships may offer to your child nutrition program
- Put it all together for funding and support options for special projects to improve your nutrition program

Partnerships

Building Partnerships

2 Minute Sharing Activity

Think about a partnership you have been involved in.

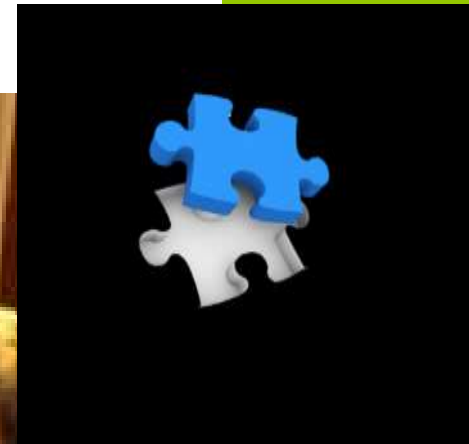

How did you decide to get involved?

How did the relationship change over time?

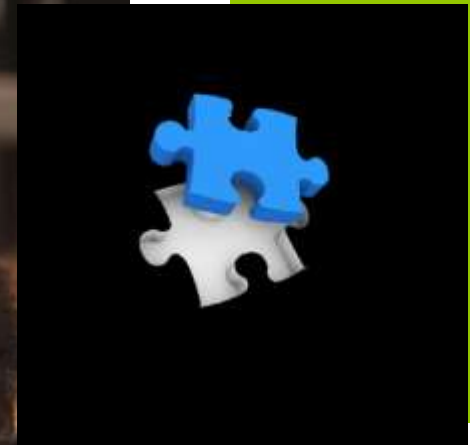

Are you still involved?

What are (were) the advantages of the partnership?

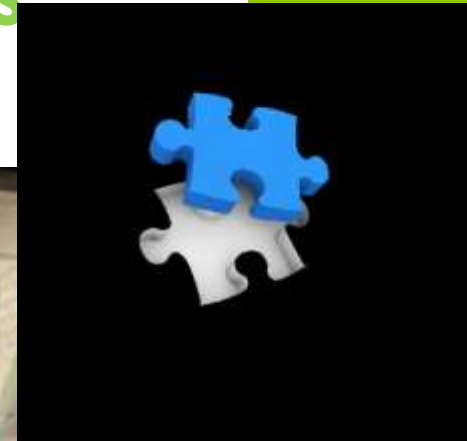

Building Relationships... Inside and Outside Your District and Your Schools

How do you build relationships?
