

TASN Board vote
May 19, 2020

This vote is brought forward on behalf of Madam President, Melissa Bryan. Several years ago, TASN implemented the Plan of Action. This is a one-year Board project that is taken from the TASN three-year Strategic Plan.

The Plan of Action was one time the Local Plan of Action for the Chapters to complete and work towards an award.

Suggestion is:

TASN Board work on the three-year Strategic Plan and the Local Chapters work on the modified Local Plan of Action.

Rationale: To streamline the work.
